The screenshot displays the IBM Cloud Dashboard. At the top, there's a navigation bar with 'Dashboard' and links for 'Edit dashboard', 'Upgrade account', and 'Create resource'. Below this, a 'For you' section features a horizontal scroll of cards for various services like Build, Monitor your resources, Create an OpenShift cluster, IBM Watson Machine Learning, Explore tutorials, Discover the Watson Internet of Things (IoT) Platform, Db2, and Create and deploy application. Each card includes a brief description and a 'Getting started' button with a time estimate. The bottom section contains four main widgets: 'News' with a list of articles, 'Recent support cases' with a 'View all' link, 'Planned maintenance' with a 'View all' link, and 'IBM Cloud status' showing a world map and 'No issues' status. A footer bar at the very bottom shows system icons and the date/time (8:07 PM, 10/19/2022).
